Frozen Drift Race (Restocked) Crack Activation Code

Download ->->->-> <http://bit.ly/31pyCzC>

## About This Game

**Frozen Drift Race** is a 3D racing game full of fun and healthy competition.

Develop your skills in driving sport cars on a one of five winter routes. Take up the challenges and earn drift points to unlock new levels.

Exchange money gained in races for the new cars.

Gain experience and become the king of heavy snow drift under harsh snowy weather conditions.

### **For everyone:**

- *Five sports cars*
- *Five winter tracks*
- *3 game modes*
- *Physics bringing the joy of driving*
- *A lot of fun and a healthy competition*

\* Restocked version included additional content.

---

dev4ent

Release Date: 17 Feb, 2017

a09c17d780

English,German,Simplified Chinese,Polish,Portuguese,Russian,Turkish,Ukrainian

---

Don't waste your money on this "game". Handling is horrendous, even the AI has a hard time to drive, without flipping over and just driving in circles.
