About This Game

Listen up, soldier! This war is no bed of cherries! One minute you're sipping scotch at the Blackjack table, the next minute enemy troops are raiding the casino! Now it's up to you to get my brass out of here! They issued maps of the escape route, but I didn't get one because I was at a . . . staff meeting. It's up to you to drive us across the battlefield to safety. Good luck, soldier!

The General Retreats is a puzzle game. Steer your vehicle through a dangerous battlefield, avoiding bombs, artillery, and enemy tanks. Every attempt plays out exactly the same way, so you can learn the fastest safe path to the goal.

The game has ten levels and five unique vehicles to drive.
